

Car Seat Safety

Find out if your child is safely snapped in

Did you know that 4 out of 5 car seats are used incorrectly?

Whether you're expecting your first child, or you have a car-full, correctly choosing and installing a child safety seat can be a challenge, especially with the variety of seats, belt systems, and vehicles available on the market.

Let Ardent Solutions' Certified Child Passenger Safety Technicians ensure your child is safe. Attend a FREE Car Seat Safety Fitting Station.

Did you know that 4 out of 5 car seats are not used correctly?

Parents, caregivers and guardians are invited to attend one of Ardent Solutions free car seat fitting stations and learn how to install your child's car seat correctly. It's a quick and simple appointment process. There is no cost for these services.

Attend one of our free fitting stations and learn how to install your seat correctly by:

1. Make an appointment by calling Ardent Solutions or by visiting the "Car Seat Fitting Station" form on www.ardentnetwork.org.
2. Bring your child, car seat, and vehicle. If possible, bring both the vehicle and car seat owner's manuals.
3. Expectant parents should have their car seat checked before the baby is born.
